

# Privacy Notice Visitors

Last updated: March 2020

**This privacy notice covers the processing of visitors' personal data – COVID-19 related**

We **collect** your personal data within this form with the **purpose** to administer visitors to Autoliv's facilities.

Your personal data will be **stored** at the visited Autoliv facility according to the **retention** period defined within Autoliv's Retention Policies, being destroyed afterwards. Your data can be **shared** with external parties – Autoliv ensuring it has the legal grounds to do so and it implemented appropriate safeguards.

**Data Controller:** Autoliv Inc. Klarabergsviadukten 70, Section B7, 111 64, Stockholm, Sweden

**Questions & Rights:** If you have questions or want to exercise your right to raise a complaint, access, correct, modify or delete your data, contact: **Autoliv's Data Protection Office**
